REGION 5 DELEGATIONS MANUAL

Purpose. This transmittal provides material for the Region 5 Delegations Manual.

Explanation. This Region 5 Delegation 14-9 has been created to conform to changes recently made to EPA Headquarters Delegations which consolidated the authorities previously delegated in three separate EPA Headquarters Delegations (14-9-A, 14-9-B, and 14-9-C) into a single new Delegation (14-9). Prior EPA Headquarters Delegations 14-9-A and 14-9-B delegated certain authorities to Regional Administrators, and allowed redelegation of those authorities to the Division Director level. The Regional Administrator had duly redelegated those authorities to the Director of the Superfund Division through prior Region 5 Delegations 14-9-A and 14-9-B.

This Region 5 Delegation 14-9 serves merely to restate the delegation of the same authorities to the Director of the Superfund Division, using EPA Headquarters' new format, without changing the official levels at which the delegated authorities can be exercised.

Filing Instructions. Post receipt of this transmittal on the checklist of EPA transmittals in the Region 5 Delegation Manual.
